Pursuant to the authority of M.G.L. c. 6A, s. 16 and in accordance with M.G.L. c. 30A, s. 2, a public hearing will be held on August 8, 2006, at 10 A.M. in Conference Room 2 on the 21st Floor, One Ashburton Place, Boston, MA relative to the adoption of:

130 CMR 522.000: MassHealth: Other Division Programs

MassHealth is revising the regulations for the Children's Medical Security Plan (CMSP) and the Healthy Start Program (HSP). The revisions to the CMSP regulations are required because of the changes to the MassHealth Family Assistance regulations due to the recent health-care reform legislation. The revisions to the HSP regulations include clarification of the eligibility requirements and the benefits that are provided.

These regulations are being issued as emergency regulations, effective July 1, 2006. There is no fiscal impact on cities and towns.

Interested parties are encouraged to submit comments on these proposed regulations. All persons desiring to be heard on this matter are hereby notified to appear at the designated time and place. Persons who notify EOHHS that they intend to speak will be afforded an early opportunity to testify if EOHHS receives notice by 5:00 P.M. on August 7, 2006. Contact us by telephone at 617-573-1770 or by fax at 617-573-1894. If you do not provide EOHHS with advance notice of your desire to speak, you will still be given an opportunity to do so if you appear at the hearing. Written comments will be accepted up until 5:00 P.M. on August 15, 2006, and may be sent to the Executive Office of Health and Human Services, Office of Medicaid, One Ashburton Place, Room 1109, Boston, MA 02108, or e-mailed to masshealthpublicnotice@state.ma.us. E-mailed comments should contain the sender's name, mailing address, and organization or affiliation, if any.

All persons desiring to review the current draft of the proposed actions may go to www.mass.gov/masshealth/proposedregs or request a copy in writing or in person from MassHealth Publications, 600 Washington Street, Boston, MA 02111.

MassHealth may adopt a revised version of the proposed actions taking into account relevant comments and any other practical alternatives that come to its attention.
